Founding Chairman

William T. Golden (1909-2007)

Field Ecology Research Internship Program
Application for Admission
Sunday, July 11- Friday, July 23, 2010

Application Requirements

1. Applicants must be high school first-years, sophomores or juniors (incoming sophomores, juniors, and seniors).

2. Complete applications must be submitted by email or postal mail by the deadline of Friday, March 5, 2010, no later than 4 PM. Incomplete applications will not be considered. Please email your completed application packet to: blackroc@ldeo.columbia.edu.

3. **Please note: some forms require signatures.** If you are unable to scan and email the signed forms, please send by postal mail to:

   Black Rock Forest Consortium
   Attention: Field Ecology Internship Program
   129 Continental Road
   Cornwall, NY 12518

4. Applicants must be available for the entire length of the internship, arriving at Black Rock Forest on the evening of Sunday, July 11, 2009 and departing Friday, July 23, 2010. Admissions decisions will be made and candidates informed by March 12, 2010. We ask that successful applicants confirm participation by March 19, 2010 to ensure enrollment in the program.
