**Would like to contribute to the hike?**

Matthew and Benjamin Brady grew up in Black Rock Forest. Their appreciation of our natural resources was nurtured as youngsters playing in the water and woods. While volunteering and working with their father, John Brady, the Forest Manager, their relationship with and understanding of the outdoors continued to develop. On April 1, 2009, the brothers have planned an adventure that will become a true life-changing experience. They plan to hike the entire length of the famous Appalachian Trail.

The Appalachian National Scenic Trail ([www.appalachiantrail.org](http://www.appalachiantrail.org)) is a public footpath that follows more than 2,100 miles of Appalachian Mountain ridgelines between Georgia's Springer Mountain and Maine's Mount Katahdin.

Matt and Ben along with Rogue (Matt's four legged friend) hope to use their hike to benefit Black Rock Forest. They would like to raise money to provide food for the volunteers, who give their time to the forest on Saturdays and to support the Forest crew who work on projects such as bridges, planting trees, trail work and maintaining the many roads throughout the forest.

If you would like to sponsor them please fill out below:

Pledge                    ***Matt***    \_\_\_ *per mile*            ***Ben***    \_\_\_ *per mile*            ***Rogue***    \_\_\_ *per mile*
